

Born in Kigali, Rwanda and raised in Denver, Colorado, Dr. Patrick Mugabe brings a warm and welcoming approach to patient care. He earned his Bachelor of Science in Biology from the University of Colorado Denver and went on to receive his Doctor of Dental Surgery degree from the University of Colorado School of Dental Medicine.

During dental school, Dr. Mugabe was honored with the International College of Dentists Student Humanitarian Award and the Predoctoral Student Achievement Award in Endodontics, reflecting both his dedication to service and his passion for the specialty.

He completed his advanced specialty training in Endodontics at The Ohio State University, where he gained extensive clinical experience serving patients spanning from all corners of the state of Ohio and had the opportunity to provide endodontic care abroad in Jamaica. Dr. Mugabe is passionate about making patients feel comfortable in the dental chair, taking time to educate them, and ensuring everyone has a positive experience in the office.

Outside of work, he enjoys spending quality time with his wife, watching and playing sports, and traveling to new places.
